Workshops

Call for Abstracts

Deadline 01 May 2015

Synaptic Physiology & Plasticity

- **Peter Jonas**
Institute of Science and Technology (IST), Austria
- **Reinhard Jahn**
Max-Planck-Institute for Biophysical Chemistry, Germany
- **Judit Makara**
Hungarian Academy of Sciences, Hungary
- **Angus Silver**
University College London, UK
- **Tolga Soykan**
Leibniz Institute for Molecular Pharmacology, Germany

Developmental Neurosciences

- **Jeffrey Macklis**
Harvard University, USA
- **Douglas Fields**
National Institutes of Health, USA
- **Till Marquardt**
European Neuroscience Institute, Germany

Sensory & Motor Systems

- **Ilka Diester**
Albert Ludwigs University, Freiburg, Germany
- **Alexander Gottschalk**
Goethe University Frankfurt, Germany
- **Marie Dacke**
Lund Vision Group, Lund, Sweden
- **Eckart Altenmüller**
University of Music Drama & Media, Germany
- **Ivan Manzini**
Institute of Neurophysiology and Cellular Biophysics, Germany

Systems Neuroscience & Cognition

- **Julia Fischer**
Cognitive Ethology Laboratory, DPZ, Germany
- **Wolfram Schultz**
University of Cambridge, UK
- **Rodrigo Quiroga**
University of Leicester, UK
- **Miguel A. Nicolelis**
Duke University, USA
- **Andrea Burgalossi**
University of Tübingen, Germany

Clinical & Translational Neuroscience

- **Alon Chen**
Weizmann Institute of Science, Israel
- **Viviana Gradinaru**
California Institute of Technology, USA
- **Martin Schwab**
Federal Institute of Technology (ETH) Zurich, Switzerland
- **Wolf Singer**
Max Planck Institute for Brain Research, Germany
- **Shahaf Peleg**
Ludwigs Maximilians University, Germany
